Reservation of seats in medical Colleges

*360. SHRI KRISHNA KUMAR BIRLA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government have reserved seats for admission in medical colleges for students seeking admission from State/Union Territories which do not have medical colleges;

(b) if so, what is the number of seats reserved for such students (State-wise/Union Territory-wise) and the conditions if any, for the eligibility for admission;

(c) whether the stipulated conditions are in conformity with the standard laid down by the Medical Council of India, if not, what are the reasons therefor; and

(d) what is the number of students admitted against the quota so reserved during 1984 and 1985 stating the instances, if any, where the eligibility conditions were violated and that there was misuse of the prescribed quota and the action taken by Government in the matter?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRIMATI MOHSINA KIDWAI): (a) to (d) Government of India *inter alia* allocate certain number of MBBS seats which are contributed to the Central Pool by States/UT Governments with medical colleges to the States/UTs without medical colleges. The allocation of these seats varies from year to year depending upon the overall availability of MBBS seats in the Central Pool. The selection and nomination of students is done by the respective States/UTs to whom these seats are allotted. Students nominated against these seats are required to satisfy the eligibility criteria prescribed by the Medical Council of India/Colleges/Universities concerned. A statement indicating the number of MBBS seats allocated to States/UTs without medical colleges during the years 1984-85 and 1985-86 is laid on the Table of the Sabha (*see* below). The Government of India have no information regarding actual number of students admitted against allocations made to the States/UTs without medical colleges. No student can be admitted to any medical college unless he or she fulfils the eligibility criteria laid down by the Medical Council of India/Colleges/Universities concerned.
